# Benefits of joining our children's membership

Our dental membership encourages regular visits for your child to maintain healthy teeth and gums for life, identifying potential issues early to prevent costly treatments. By becoming a member, you can spread the cost of your child's routine care through affordable monthly Direct Debit payments. This is more cost-effective than pay-as-you-go appointments and secures your child's place at our practice. Your child is guaranteed:

**Dental health examinations:** Thorough assessments for optimal oral health including intra oral X-rays when necessary. Diet and toothbrushing advice encouraging children to create good habits and look after their teeth/gums.

**Preferential fees & benefits:** Get a 50% discount on treatment on milk teeth and a 10% discount on treatment on adult teeth. Discounted emergency appointment fees. For a full list of benefits, ask the practice team for details

**Global Dental A & E Scheme enrolment:** This discretionary scheme provides patients with dental care or treatment assistance in the event of a dental accident or emergency.
